

## Print Order

The following fine art prints are available for sale at \$30 each (\$25 Society members) to benefit the historic photo collection of the Society.

These are not published prints but printed individually on an Epson R2400 Photo printer using Epson Ultra Crome K3 archival inks on Epson Heavyweight Matte paper.

It is recommended that you frame your print behind UV filtering glass and display away from direct sunlight -- that way the print will last beyond your life-time without fading.

Thanks!
